# SAHIL PAGHDAR

Derivatives Trader | Options Trader | Commodity Trader

Surat, Gujarat, India | +91 8488823618 | srppatel805@gmail.com

## PROFESSIONAL SUMMARY

Derivatives Trader, Options Trader, and Commodity Trader with 4+ years of experience in equity and commodity markets. Specializes in cross-asset arbitrage, cash-futures arbitrage, calendar spread arbitrage, short gamma, and delta-neutral strategies. Consistent monthly returns of 1.5%–2.5% with drawdowns below 4% across NSE, BSE, MCX, and COMEX markets.

## WORK EXPERIENCE

### Derivatives Trader & Commodity Trader

Jainam Broking Ltd | December 2023 – Present

- Executed derivatives and commodity trades across NSE, BSE, MCX, and COMEX with consistent profitability.
- Applied short gamma, delta-neutral, and cross-asset arbitrage strategies with strong Greeks management.
- Identified index-futures arbitrage, calendar spread arbitrage, and statistical arbitrage opportunities.
- Conducted real-time IV analysis, VIX monitoring, and options chain assessment for precise execution.
- Maintained monthly returns of 1.5%–2.5% with maximum drawdown capped at ~4% using ODIN and GREEKSOFT.

### Options Trader

Pace Stock Broking Ltd | December 2022 – November 2023

- Executed straddle, strangle, and spread strategies to capitalize on volatility events.
- Managed risk via disciplined position sizing, stop-loss adherence, and mark-to-market P&L; tracking.
- Identified arbitrage opportunities across index and equity derivatives for low-risk returns.
