Anjaney Chaturvedi

Gurugram, India – 110030 | ■ +91-8299449167 | ■ anjaneychaturvedimvm@gmail.com

Professional Summary

Digital Marketing & SEO Specialist with 5+ years of experience in **SEO, AIO (Artificial Intelligence Optimisation), GEO (Generative Engine Optimisation), and AEO (Answer Engine Optimisation)** to boost organic visibility, leads, and user engagement. Skilled in content strategy, CRO, website optimisation, and analytics-driven decision-making. Currently completing a PGDM in **Data Analytics** with hands-on expertise in **Tableau, Power BI, KNIME, and machine learning**. Focused on aligning digital strategies with measurable business growth.

Professional Experience

SEO Assistant Manager

Solar Square Energy Private Ltd. – Gurugram, India (Permanent, Onsite)

Dec 2025 – Present

- Developed SEO strategies to drive organic growth, traffic, and lead generation.
- Optimised Google Business Profile (GBP/GMB) for improved local visibility.
- Conducted keyword research, competitor analysis, content optimisation, and technical SEO audits.
- Analysed and tested organic lead funnel issues, collaborating with the tech team to identify and resolve technical bottlenecks.
- Built SEO-friendly website structures and collaborated with developers on implementation.
- Published 100+ SEO-optimised blogs to strengthen organic visibility and keyword rankings.
- Identified and disavowed 200+ spam backlinks to improve backlink profile quality.
- Used GA4, GSC, and SEMrush to track performance and identify growth opportunities.
- Supported AOP planning and prepared weekly/monthly SEO reports with actionable insights with the help of Google Analytics, Google Search Console, Data Studio, SEMrush, and Bing Webmaster.

SEO Team Lead

EpiScholar Edtech Private Ltd. – Gurugram, India (Permanent, Remote)

Mar 2025 – Dec 2025

- Developed and implemented SEO, AIO, GEO, AEO, and content strategies aligned with overall marketing objectives.
- Drove **business growth through data-driven digital strategies**, combining SEO, content marketing, and landing page optimisation.
- Led coordination between the **content, tech, and design teams** to support integrated marketing efforts.
- Conducted keyword research and intent mapping to power both SEO and broader content campaigns.
- Managed on-page optimisation, internal linking, and structured data implementation.
- GA4, GSC, and GTM were used to monitor performance and guide continuous improvement.
- Focused on **lead generation and conversion optimisation** through improved user journeys and CRO (Conversion Rate Optimisation) tactics.
- Plan, execute, and optimise paid campaigns across Google Search, Display Network, and YouTube.

Senior SEO Specialist

Nomad Credit India Pvt. Ltd. – Chicago, USA (Permanent, Remote)

Sept 2023 – Mar 2025

- Implemented end-to-end SEO, AIO, GEO, and AEO strategies to drive organic growth and digital visibility.
- Led WordPress website optimisation, improving technical SEO, UX, and conversion performance.
- Conducted keyword research and content strategy to strengthen organic rankings and campaign performance.
- Analysed GA4, GSC, and SEMrush data to track KPIs, identify opportunities, and deliver actionable reports.
- Managed Google Search, Display, and YouTube campaigns, continuously optimising performance and ROI.
- Executed white-hat link-building strategies to improve domain authority and organic visibility.

- Aligned technical SEO, landing pages, content, and CRO to optimise lead-generation funnels.
- Built a FinTech website from scratch to 50K monthly organic traffic within 1 year, while tripling organic leads.

Senior SEO Executive

GyanDhan Pvt. Ltd. – Delhi, India (Permanent, Onsite)

Jan 2022 – Sept 2023

- Designed and executed SEO strategies, contributing to **content marketing and traffic growth**.
- Conducted technical audits and collaborated with developers to resolve site issues.
- Worked with the content team to optimise articles, guides, and landing pages for both SEO and **user engagement**.
- Used analytics tools and behaviour insights (Google Analytics) to improve conversion paths.
- Stayed on top of algorithm updates and evolved strategies accordingly.
- Making a **report** with the help of Microsoft Excel, PowerPoint, Google Sheets, Google Analytics, and Google Search Console

Key Achievements

- Scaled organic traffic from 500 to 50,000+ monthly users in 12 months through SEO, AIO, GEO, and AEO strategies—without paid advertising.
- Built and optimised 100+ SEO-driven pages, improving rankings, engagement, and lead conversions.
- Delivered 40%+ organic traffic growth through technical SEO, content strategy, and search-intent optimisation.
- Increased lead conversion rates by 30%+ through CRO-focused landing pages and optimised user journeys.
- Conducted 125+ technical SEO audits, improving crawlability, Core Web Vitals, and overall site health.
- Strengthened domain authority through white-hat link building, digital PR, and toxic backlink cleanup.
- Implemented GA4, GSC, and GTM to enable data-driven SEO analysis, tracking, and optimisation.
- Improved UX, page speed, and internal linking, reducing bounce rates and increasing user engagement.
- Achieved 5× growth in local business leads through Google Business Profile (GMB) optimisation and local SEO.
