Mumbai, Maharashtra | ghoderaorahul1@gmail.com | +91 9860786575

SUMMARY

5+ years of experience managing end-to-end procurement, vendor management and onboarding, invoice reconciliation and validation, cost control, and stakeholder coordination across multinational environments. Proven expertise in SAP Ariba, Purchase Requisition (PR), Purchase Order (PO) processing, contract compliance, budget tracking. Demonstrated success in managing 300+ annual procurement transactions, ensuring SLA adherence, and supporting cross-functional teams across Finance, Operations, and Vendors

WORK EXPERIENCE

Administration & Procurement Executive
Aug 2024 - Present

Tata Consultancy Services - Global leading IT services, consulting, and business solutions organization.

• Executed end-to-end procurement operations through SAP Ariba, managing 25–35 Purchase Orders (POs) monthly (300+ annually) while ensuring compliance with procurement policies and SLA
• Performed Purchase Requisition (PR) and Purchase Order (PO) processing, validating vendor master data, contracts, budgets, approval matrices, and cost allocations.
• Verified and reconciled 40–60 vendor invoices per month, minimizing payment delays and discrepancies
• Coordinated with vendors and internal stakeholders to ensure timely procurement, service continuity, approvals, and seamless delivery across global operations.
• Oversaw AMC renewals, contract amendments, lease agreements, utility consumption monitoring and implementation of housekeeping and security manpower minimum wages
• Coordinated office infrastructure projects, workspace modifications, and asset deployment activities.
• Acted as a key liaison between Procurement, Finance, Business Units, and Vendors to resolve issues.
• Prepared monthly and executed CDS activities (SWON/WON), ensuring accurate financial cost allocation.
• Maintained procurement documentation and compliance standards, supporting successful audits and governance.

Administration & Procurement Executive
Aug 2021 - Apr 2024

EOSGlobe – Outsourced customer experience and back-office support to the businesses.

• Managed procurement of materials (Opex and Capex), services, IT assets, and software licenses with cost efficiency and timely delivery.
• Executed Purchase Requisitions (PRs) and Purchase Orders (POs) in compliance with organizational procurement policies and approval procedures.
• Coordinated with vendors, obtained quotations, negotiated commercial terms, and maintained supplier relationships to ensure optimal pricing and service quality.
• Vendor invoices and maintained procurement documentation, ensuring accuracy and compliance with internal controls.
• Managed monthly rental data for IT assets, servers, laptops, and desktops, ensuring proper asset and cost tracking.
• Prepared and maintained monthly Cost Per Seat (CPS) reports, supporting budget monitoring and management review.
• Processed corporate payments for software subscriptions, cloud services, travel bookings, hosting/domain services, and facility-related vendors.
• Supported facility management and other procurement-related operational requirements.
