Summary

My name is Roshan Goswami, and I have over 5 years of experience in the Chinese translation field. I'm from Science Background and I have worked on a variety of projects, including document translation from English to Chinese and Chinese to English, machine installation support, and tour guiding. I also worked as Technical Support for handling all the Inbound calls, chats and emails in service desk.
Additionally, I have experience working as a Seller Support Associate for both Amazon and Walmart.

Communication skills

I possess excellent communication skills, both verbal and written, in English and Chinese. My experience in translation, client interactions, and support roles has strengthened my ability to convey information clearly, bridge language gaps effectively, and adapt my communication style to suit diverse audiences. Whether translating technical documents, guiding international clients, or providing seller support, I ensure clarity, professionalism, and cultural sensitivity in every interaction.
