EDUCATION

Symbiosis Institute of Business Management | MBA, Finance — July 2021 - April 2023

Deen Dayal Upadhyaya Gorakhpur University | Bachelor of Commerce — July 2018 - August 2021

EXPERIENCE

Engagement Financial Advisor (FP&A), Deloitte Consulting — July 2023 - Present

- Provided financial support to stakeholders through planning, reporting and analysis of key financial metrics to ensure data-driven decision-making.
- Supported the development of annual budgets, rolling forecasts and long-term financial plans, including risk and opportunity assessments for projects with revenue of more than $80 million.
- Conducted variance analysis to compare actuals with forecasts, identifying key drivers and recommending corrective actions to improve forecast accuracy.
- Prepared and maintained weekly, monthly and quarterly dashboard reports to provide data-driven insights to stakeholders.
- Analyzed P&L variances, identifying key cost and revenue drivers to uncover cost optimization opportunities and support margin improvement.
- Supported investment and resource allocation assessments by performing scenario and sensitivity analysis to aid in strategic decision-making.
- Managed client and sub-contractor billings and collections, proactively reducing outstanding receivables and improving DSO through consistent follow-up.
- Supported monthly, quarterly and year end close activities, including cost accruals and reconciliations, ensuring compliance with financial reporting guidelines and internal policies.
- Worked cross-functionally with multiple business units to enhance process efficiency and quality reporting.
- Provided critical ad hoc financial modeling and analysis to support the due diligence phase of a potential new market entry initiative.

Financial Advisor Intern, Stockart — May 2022 – June 2022

- Promoted company services and policies to clients, achieving a 30% increase in customer lead generation.
- Spearheaded financial advisory for clients in commodity trading, resulting in a 21% increase in profit.
- Acquired hands-on experience in commodity trading through shadowing and direct training.
