KEY RESPONSIBILITY

1. Strategic HR Leadership & Business Partnership

Partner with Business Heads and Leadership Team to design and execute the HR roadmap aligned with organizational goals.
Drive organizational culture, leadership capability, and change management initiatives.
Position HR as a strategic enabler for business growth, productivity, and operational excellence.

2. Talent Acquisition & Workforce Planning

Lead annual manpower planning based on business forecasts, expansion plans, and attrition trends.
Ensure timely recruitment of critical roles across functions and business units.
Build strong talent pipelines and employer branding initiatives to attract high-quality talent.

3. Talent Development & Succession Planning

Establish competency frameworks and skill matrices across functions.

Identify high-potential employees and critical roles; implement structured development and succession plans.

Drive learning & development initiatives, including leadership development and technical upskilling.

---

4. Performance Management & Rewards

Design and implement a transparent and performance-driven appraisal system aligned with business goals.

Enable managers to conduct effective, evidence-based performance reviews.

Ensure fairness and consistency in increments, promotions, and rewards.

Drive performance improvement initiatives, including action plans for low performers.

---

5. Compensation, Benefits & Payroll

Manage compensation structures, benefits programs, and reward frameworks to attract and retain talent.

Oversee payroll operations ensuring accuracy, compliance, and timeliness.

Benchmark compensation practices with industry standards.

---

6. Industrial Relations & Employee Relations

Maintain a harmonious industrial relations climate through proactive engagement and communication.

Handle union management, collective bargaining, and settlements.

Lead grievance handling, disciplinary actions, and domestic inquiries.

Guide line managers on employee relations, absenteeism, and workplace conduct.

---

7. Statutory Compliance & Liaisoning

Ensure compliance with all labor laws, Factory Act regulations, and statutory requirements (PF, ESIC, etc.).

Lead implementation of new Labour/Wage Codes.

Liaise with government authorities, inspectors, and external stakeholders.

Manage risks related to labor, union, and local issues.

---

8. Employee Engagement, Culture Drive

Drive employee engagement initiatives and regular connect forums.

Promote diversity, equity, and inclusion across the organization.

Lead POSH compliance and investigations.

Strengthen Employee Value Proposition (EVP) and organizational culture.

---

9. CSR & Employee Volunteering

Plan and execute CSR initiatives aligned with organizational values.

Drive employee volunteering programs across locations to enhance engagement and community impact.

---

10. HR Operations, Budgeting & Systems

Manage end-to-end HR operations for the plant and associated units.

Prepare and monitor HR budget; conduct periodic variance analysis.

11. Administration & Workplace Management

Oversee general administration, facilities, and workplace services.

Coordinate IT support functions to ensure smooth business operations.

Drive initiatives for employee safety, welfare, and productivity improvement.

KEY ACHIEVEMENTS

- Executed 2 Greenfield HR projects, enabling timely plant commissioning.
- Secured 100% statutory approvals (Factory License, PT, BOCW, Apprenticeship, etc.) pre-operations.
- Maintained stable IR environment with zero major disputes.
- Established HR systems, policies, and compliance frameworks from scratch.

GREENFIELD PROJECT EXPERIENCE
