---

Technical Skills

Microsoft Entra ID (Azure AD)
Active Directory
Exchange Admin Center
Microsoft Intune
ServiceNow, Remedy
VPN, DNS, UNC path mapping
CMD tools (Ping, Tracert, Network reset)
Application access diagnostics

Professional Experience

Senior Technical Process Executive

Infosys Ltd. | Pune, India
June 2024 – March 2026

- Supported enterprise cloud environments by managing user lifecycle operations across Microsoft Entra ID, Active Directory, and Exchange Admin Center.
- Conducted structured technical discovery while resolving access, identity, and cloud service issues for global users.
- Translated user and business requirements into secure access configurations aligned with internal governance policies.

- Executed region-specific PowerShell scripts to automate onboarding/offboarding, improving operational efficiency and turnaround time.
- Assisted with MFA troubleshooting and identity security configurations using Microsoft Entra and Microsoft Authenticator.
- Supported device governance and compliance through Microsoft Intune during onboarding and offboarding activities.
- Created and managed ServiceNow tickets, ensuring SLA compliance, audit readiness, and proper documentation.
- Performed network-level diagnostics (VPN, DNS, connectivity) to resolve cloud application access issues.
- Acted as a bridge between end users, service teams, and technical stakeholders by clearly explaining technical solutions.

Technical Support Engineer

Mphasis Ltd. | Pune, India
April 2023 – May 2024

- Provided L1/L2 support for cloud-hosted applications and enterprise IT systems in a 24x7 environment.
- Supported AWS cloud operations including basic EC2 monitoring and IAM-related troubleshooting.
- Assisted users with VPN configuration, connectivity issues, and remote access to cloud applications.
- Performed Active Directory administration tasks including account unlocks, group assignments, and access changes.
- Conducted root cause analysis for recurring issues and shared insights with senior engineers.
- Worked closely with service desk and infrastructure teams to ensure resolution quality and customer satisfaction

Education

Master of Computer Applications (MCA) – Cloud Computing
MIT Art, Design & Technology University, Pune
2022 – 2024 | CGPA: 8.0

Bachelor of Business Administration (BBA) – Computer Applications
Ness Wadia College, Pune
2019 – 2022 | CGPA: 7.0

Certifications

- **AWS Certified Solutions Architect – Associate** (2025)

Additional Strengths

- Strong verbal and written communication skills
- Consultative, customer-outcome-driven mindset
- Passion for cloud technologies and continuous learning
- Comfortable working with technical and non-technical stakeholders

---

Interests

Bike riding, trekking, and exploring waterfalls during monsoon
