PORTFOLIO

behance.net/rohitroy5

Creative professional with 6+ years of experience in motion design and AI-driven content production. I lead full creative pipelines from start to finish, handling everything from concept and prompt engineering to AI video generation, voice synthesis, and final delivery. Recognised internationally for a landmark motion project at the Burj Khalifa, and comfortable taking on any kind of AI work, from content and automation to full brand campaigns, independently and from the ground up.

01 EXPERIENCE

Sr. Motion Graphic Designer / Visualizer 2025 to Present
First Economy Pvt Ltd · Mumbai

- Lead AI content production across 8+ brand campaigns, generating videos, images, and voiceovers end to end
- Build and manage generative AI pipelines using Higgsfield, Runway ML, Kling AI, and ElevenLabs, delivering 15+ AI-generated videos per month
- Develop automation workflows that cut campaign production turnaround time by roughly 40%

Visualizer 2024 to 2025
First Economy Pvt Ltd · Mumbai

- Produced AI-assisted animated visuals and campaign content for 10+ leading brand clients
- Brought generative AI tools into the motion design pipeline, cutting turnaround time by nearly 30%

Motion Graphic Designer 2023 to 2024
Boch & Fernsh Inc. · Mumbai

- Designed and animated motion graphics for a range of brand communication campaigns
- Worked closely with creative directors on multi-format video productions

Motion Graphic Designer 2020 to 2022
First Economy Pvt Ltd · Mumbai

- Delivered motion design and video editing for leading brand campaigns
- Contributed to a landmark international motion project for the Burj Khalifa

Motion Design Intern 2019 to 2020
