ABHISHEK KARNIK

Visualizer | Motion Graphics | Video Editor

+91 9890175228 abhishekkarnik123@gmail.com My Work: Portfolio | Achievements Pune, Maharashtra

SUMMARY

I am a Strategic Visualizer and Motion Designer with over **5 years** of experience, specializing in creating impactful visual narratives for global brands. My expertise lies in blending creative conceptualization with performance-driven execution, having successfully boosted campaign reach and audience engagement through innovative motion graphics and advanced post-production techniques

EXPERIENCE

Senior Visualizer - Motion Graphics

Amura Marketing Technologies

07/2024 - Present Pune

Marketing technologies company specializing in driving growth through content and technology

- Transform complex marketing briefs into high-impact, motion-led creatives for B2B and B2C growth campaigns
- Developed video assets that contributed to a measurable increase in campaign engagement and 'thumb-stop' rates (approx. 30-40% hook rate)
- Leveraged AI-driven tools to reduce production turnaround time for rapid-response social content by 20% while maintaining premium brand standards
- Design and animate 'unforgettable' content ranging from technical explainers to high-octane product reels

Editing Executive - Motion Graphics & Live-action

Antriksh Global

11/2021 - 06/2024 Pune

A company focused on creating engaging video content

- Increased audience engagement by directing motion graphics and live-action editing projects.
- Collaborated with creative teams to produce innovative visual content.

Video and Motion graphic designer

Uniinfo Telecom Services

07/2021 - 11/2021 Pune

A telecom service provider offering innovative solutions

- Conceptualized and created motion graphic designs for various campaigns
- Worked closely with clients to understand their visual content needs

Motion graphic designer / Video Editor

Armoks Interactive Labs

02/2021 - 07/2021 Pune

An interactive lab specializing in media and technology

- Assisted in the production of dynamic video content and motion graphics
- Enhanced the visual storytelling of projects through high-quality editing

KEY ACHIEVEMENTS

Global Client Recognition

Consistently recognised by global clients for delivering work that exceeds technological and creative expectations

Brand Experience

Successfully executed visual projects for leading brands like BMW Techworks and Cummins

Pipeline Optimisation

Implemented a DaVinci Resolve-to-After Effects workflow that improved color- grading efficiency
