About Me

Video Producer and Motion Designer with 6+ years of experience across video production, motion graphics, branded content and AI-assisted creative workflows. Experienced in taking projects from concept and visual development through editing, animation, post-production and final delivery. Hands-on with Adobe Creative Cloud and generative AI tools including Firefly, Midjourney and Runway, with experience collaborating with cross-functional teams, stakeholders and clients in fast-paced production environments.

Experience

Interactive Media and Visual Designer — *2025 – Present*

Alight Solutions

- Directed the creation of high-impact motion graphics, marketing campaigns, and visual content for global brands including PepsiCo, Target, Dell, Nestlé, Cintas, and BAE.
- Built end-to-end creative workflows—from concept development and storyboarding to animation, AI-assisted asset generation (Adobe Firefly, Midjourney, Runway), editing, and final delivery.
- Produced multi-format campaign assets and creative variations for social platforms, supporting A/B testing while collaborating with cross-functional teams to deliver projects on schedule.

Assistant Video Producer — *2023 - 2025*

Battery Smart

- Designed and delivered motion graphics, 2D/3D animations, VFX, and composited videos for branded campaigns, product explainers, and social-first content in collaboration with cross-functional teams.

Video Editor — *2022- 2023*

Social Sthaan

- Produced motion graphics, VFX-enhanced videos, compositing, and post-production for social media campaigns, ensuring engaging visual storytelling.
- Partnered with clients and internal stakeholders to develop branding, campaign creatives, and social-first visual content.

Video Editor — *2021- 2022*

Social Mongers

- Created motion graphics, visual effects, compositing, and creative video content from concept to final delivery while maintaining brand consistency.
