PROFESSIONAL EXPERIENCE
AGD BIOMEDICALS PVT. LTD., MUMBAI
Senior Legal Executive | Mar 2024 – Present

Independently manage the end-to-end legal and contract lifecycle, from understanding business requirements and drafting/reviewing agreements through negotiation, revision, internal approval, finalisation, execution and monitoring of contractual obligations. Serve as a key legal point of contact for management and cross-functional teams and provide practical legal and commercial advice across contracts, tenders, disputes, compliance, employment matters, IP and corporate documentation.

Draft, review, vet and negotiate a broad range of commercial agreements including **Service Agreements, Vendor Agreements, Distributor Agreements, OEM Agreements, NDAs, Consulting Agreements, Technology Transfer Agreements, Tripartite Agreements, Tender Contracts, Rental/Reagent Agreements and Amendments/Addendam. Regularly negotiate indemnity, limitation of liability, confidentiality, IP protection, termination, payment obligations, warranties, penalties, liquidated damages, performance obligations, dispute resolution, governing law and jurisdiction.**

Work closely with Business Heads, Sales, Procurement, Finance, HR, Operations, Tender, Regulatory and Quality teams** to understand commercial requirements and convert business objectives into legally appropriate contractual structures. Identify legal, commercial, financial and operational risks and explain them to stakeholders in practical business terms, while developing mutually workable alternatives that balance commercial objectives, risk exposure and company policies.

Handle distributor and channel-partner documentation, including appointment terms, performance obligations, commercial protections, recovery provisions, termination rights and contractual compliance requirements. Support distributor appointment controls and execution formalities, including documentation, stamp-paper requirements and contractual completion before operational processing.

Review government and institutional tender documentation, particularly provisions relating to eligibility, indemnity, penalties, performance obligations, liquidated damages, debarment/blacklisting, termination, liability and contractual remedies. Handle and review commercial arrangements involving reagent rental/instrument placement, minimum purchase or consumption commitments and related customer obligations, and draft/review tripartite arrangements connected with tender and commercial transactions.

Support international transactions involving overseas counterparties, including NDAs and technology-transfer documentation, with particular attention to confidentiality, IP protection, governing law, contractual risk and execution/stamping requirements. Also support trademark/IP matters, including documentation and coordination relating to trademark opposition.

Manage and coordinate litigation and pre-litigation matters across India, including consumer disputes, labour and employment matters, Section 138 NI Act/recovery matters, contractual disputes, civil/criminal proceedings and regulatory issues. Coordinate with external advocates, senior counsel, courts, tribunals and government authorities for filings, hearings, documentation and case management.

Support corporate legal and governance activities, including preparation and review of Board Resolutions, authority letters, court authorisations, digital-signatory authorisations and other corporate/legal documentation. Maintain legal records, contract trackers and matter-wise documentation and monitor contractual and legal obligations for timely action.
