ADITYA HRUDAYA

SENIOR PROCUREMENT & STRATEGIC SOURCING MANAGER

Mumbai, India • +91 78733 78177 • adityahrudaya74@gmail.com • linkedin.com/in/Aditya-Hrudaya

EXECUTIVE SUMMARY

Results-driven Senior Procurement & Strategic Sourcing Manager with 8+ years of enterprise experience directing end-to-end Source-to-Contract (S2C), Procure-to-Pay (P2P), complex commercial contract negotiations, Third-Party Risk Management (TPRM) and Vendor Risk Management (VRM). Proven expertise managing ₹492+ Cr ($59M+) in Direct and Indirect spend portfolios across Financial Services, Telecommunications, and Logistics. Adept at cross-functional executive leadership, Zero-Based Budgeting (ZBB), Master Service Agreements (MSA), Contract Lifecycle Management (CLM), and advanced spend analytics in SAP MM, SAP Ariba, Coupa, and Tableau to achieve structural cost optimization and 100% internal audit compliance.

KEY CAREER HIGHLIGHTS & QUANTIFIABLE ACHIEVEMENTS

- **Spend Portfolio Management:** Directed full lifecycle procurement across **$59M+ (₹492+ Cr)** in Direct and Indirect spend across IT, Telecommunications, Capex, Opex, and Logistic ecosystems with 100% audit compliance.
- **15% - 23% Structural Cost Optimization & Value Creation:** Delivered up to **23% bottom-line savings** on MHE logistics and **15% structural cost reduction** across IT/Telecom spend using SAP Ariba RFx suite, market benchmarking, and Total Cost of Ownership (TCO) financial modeling.
- **Process Automation & P2P Efficiency:** Accelerated purchase requisition-to-PO conversions by 20% by engineering Procure-to-Pay (P2P) workflow automation across SAP MM, Coupa, and integrated Tableau spend dashboards.
- **End-to-End Contract Lifecycle Management (CLM) & MSA Negotiations**: Drafted, negotiated, and executed high-value complex Master Service Agreements (MSA), Statements of Work (SOW), and master rate cards, capturing 18% cost savings across nationwide branch expansions initiatives while maintaining 100% TPRM compliance.
- **25% Supplier Delivery & SLA Enhancement:** Advanced Supplier Relationship Management (SRM) frameworks, boosting SLA delivery compliance by 25% and reducing order delays through structured KPI scorecards and active vendor management.
- **Risk Management & Audit Compliance:** Executed zero-defect TPRM and ESG sourcing integrations in full alignment with Legal, IT, and Finance leaders achieving **100% audit compliance** and a **98%+ on-time P2P cycle.**

CORE COMPETENCIES & TECHNICAL SKILLS

- **Core Sourcing & Strategy:** Strategic Sourcing, Source-to-Contract (S2C), Procure-to-Pay (P2P), Category Management, Direct & Indirect Procurement, Total Cost of Ownership (TCO), Zero-Based Budgeting (ZBB), Third-Party Risk Management (TPRM), Vendor Risk Management (VRM), ESG Sourcing, Order & PO Lifecycle Management
- **ERP & Procurement Platforms:** SAP Materials Management (SAP MM), SAP Ariba, Coupa, Contract Lifecycle Management (CLM), Enterprise RFx (RFP / RFQ / RFI), VMS (Vendor Management Systems) tools, Reverse Auctions.
- **Contracting & Compliance:** Master Service Agreements (MSA), Statements of Work (SOW), Business Requirement Documents (BRD), General Terms & Conditions (GTC), Commercial Contract Negotiation, Tail Spend Management, SLA & KPI Governance, Legal & Internal Audit Protocols
- **Spend Intelligence & BI:** Tableau Spend Dashboards, Power BI, Advanced MS Excel (Pivot Tables, VLOOKUP, Financial Modeling), Demand Forecasting, Cost Avoidance, MIS Reporting, Spend Analytics
- **Leadership & SRM:** Supplier Relationship Management (SRM), Cross-Functional Leadership, Vendor Onboarding & Evaluation, Accounts Payable (AP) Reconciliation, Conflict Resolution.

PROFESSIONAL EXPERIENCE

Procurement & Strategic Sourcing Manager – IT & Non-IT Spend **May 2024 – Present**

L&T Finance | Mumbai, India

- Direct end-to-end Strategic Sourcing and Category Management for INR ₹ 219 Cr /$26.3M USD in IT and Telecom Capex/Opex spend, managing a 3-member sourcing team and executing Enterprise RFx via SAP Ariba.
- Engineered 15% overall cost reduction utilizing competitive Enterprise RFx tools (RFP / RFQ / RFI) in SAP Ariba, comprehensive market benchmarking, Total Cost of Ownership (TCO) analysis, and spend analysis.
- Negotiated complex and high-value Master Service Agreements (MSA), Statements of Work (SOW), and rate cards, capturing 18% cost reductions across nationwide Loan Against Property (LAP) and Rural Business Finance (RBF) branch expansions.
- Accelerated PR-to-PO conversion cycle time by 20% by streamlining Procure-to-Pay (P2P) requisition approval workflows and implementing automated spend MIS dashboards in Tableau.
- Advanced Supplier Relationship Management (SRM) frameworks, boosting SLA delivery compliance by 25% via structured KPI scorecards, financial note audits, and No Dues Certificate (NDC) tracking across strategic suppliers.
- Reduced site expansion Turnaround Time (TAT) by 15% across national locations through strategic vendor selection, contract standardization, and Opex budget alignment.
- Spearheaded Third-Party Risk Management (TPRM) and ESG Sourcing integration in coordination with Legal, Finance, and IT leaders, maintaining 100% adherence to Contract Lifecycle Management (CLM) protocols.
- Drove end-to-end Purchase Order (PO) tracking, delivery variance reconciliation, and order change-order processing; minimized fulfillment bottlenecks and order delays by 25% through real-time SAP Ariba tracking.

Assistant Manager – Indirect & Direct Procurement **Feb 2021 – Apr 2024**

Reliance Jio Infocomm Ltd | Navi Mumbai, India

- Managed procurement purchases totaling INR ₹273 Crores / $32.8M USD leveraging hands-on spend analytics in SAP Materials Management (SAP MM), Coupa, demand forecasting, and competitive benchmarking.
- Executed end-to-end Enterprise RFx cycles, commercial contract negotiations, and drafted legally binding MSAs, SOWs, BRDs, and GTCs with zero internal audit non-compliance.
- Engineered a 23% reduction in per-pallet logistics costs and 12% fuel savings by structuring multi-tier MHE rental agreements (annual, quarterly, and on-call). Negotiated rate cards and preventive maintenance SLAs that ensured 100% operational uptime across Fulfillment Centers (FCs), Distribution Centers (DCs), and Warehouses.
- Consolidated end-to-end sourcing for 3PL manpower, on-call contingent labor, specialized staffing, and 3PL turnkey service contracts across Fulfillment Centers (FCs), Warehouses, and regional distribution networks, negotiating structured rate cards and SLAs.
- Orchestrated nationwide strategic sourcing for direct operational assets (MHE machinery, FTTX infrastructure) as well as indirect services, manpower, and operational consumables supporting Fulfillment Centers (FCs) and Smart Hubs.
- Conducted periodic vendor database audits across Fulfillment Centers (FCs), Distribution Centers (DCs), Warehouses, and Common Maintenance Points (CMP), maintaining zero breach of SLA and internal audit protocols.
- Partnered with Finance and Accounts Payable (AP) to resolve complex GST, Invoice Receipt (IR), and defective invoice disputes, eliminating audit bottlenecks and maintaining a 98%+ on-time payment rate.
- Accelerated emergency sourcing P2P lead times by 20% through streamlined PR-to-PO workflows in SAP MM and Coupa, guaranteeing uninterrupted material supply across nationwide fulfillment centers.
- Steered Supplier Relationship Management (SRM) initiatives, establishing Quarterly Business Reviews (QBRs) and supplier scorecards to drive continuous performance improvements, maintaining 100% SLA adherence and TPRM compliance.

Senior Associate – Sourcing & Procurement Jan 2019 – Jun 2020

IndiaMART InterMESH Ltd | Bangalore, India

- Standardized complete Source-to-Contract (S2C) lifecycles, evaluating and qualifying strategic vendors based on financial turnover, compliance standards, and Turnaround Time (TAT).
- Streamlined cross-functional vendor onboarding and invoice processing across 50+ supplier accounts, reducing payment cycle delays by 15% and maintaining 100% compliance.
- Facilitated vendor negotiation meetings and benchmarked supplier pricing against industry standards to ensure competitive commercial terms.

Relationship Associate – Vendor Operations Apr 2018 – Dec 2018

Asian Paints Ezycolour Home Solutions | Bangalore, India

- Administered work order execution and field contract governance to guarantee timely project execution, quality assurance, and site delivery.
- Reconciled contractor material consumption reports against initial Bill of Quantities (BOQ) estimates to flag discrepancies and cost variances.
- Managed financial processing across vendor bills, dealer settlements, and payment clearances, maintaining accurate project MIS records and seamless audit compliance.
